February 2010 Newsletter

“Big Ass Country Breakfast”

Thanks to Scott and his family for putting on this month's breakfast. The food was great and there was plenty to go around. The next breakfast has not yet been decided. We will let you know when arrangements are made.

Monthly Dinners

Thanks to all who attended the monthly dinner on Valentine's Day. We all had a good time. Hope you all enjoyed the “Barbershop Quartet.” The next dinner will be held on Friday, March 26th at Avanti's on Knoxville. Dinner will be at 6:00 pm. Please RSVP no later than Monday, March 22nd.

Winter Games

Don't forget about the Winter Games on February 26 & 27th at the Grand Hotel in Peoria. Club members have been working on room decorations and it is coming together nicely. The room theme is a jazz club theme with a 20's flair and is called “Wharf Harbor Hideaway.” Some of the members are dressing up with fedora hats, suspenders, ties, flapper dresses, gangster costumes, etc. Anyone who wants to come out and help decorate on Friday show up any time after 11:00 am. If you can't help out, be sure to stop by Friday or Saturday night to have a free beer on the club. Bring an appetizer to share. Those of you who have been selling raffle tickets for the TV-DVD Combo, please be sure to bring the tickets and money, as well as your unsold tickets to the Winter Games so that we can put the entries in the drawing and sell off the rest of the tickets at the games. The games will start approximately at 1:00 pm on Saturday. Come wear your t-shirt and help support the club!

Wharf Harbor 2010 Calendar

We have been working on the Wharf Harbor 2010 Calendar which will be coming out soon. We are waiting to finalize it until after the IRBBA meeting is held on Saturday at the Winter Games so that we can work our calendar around their dates so you can participate in Wharf Harbor and IRBBA scheduled events. Back by popular demand Havana may have two designated trips this year. Members that went to the Red Flannel Cruise last fall expressed their displeasure with the power and accommodations at Henry Marina. Please talk to me about whether you want to move it to Hamm's Holiday Harbor instead. I will talk to Henry Marina to see if the power situation has been resolved and if they can accommodate us better this year. Please let me know your opinion.

Your commodore – Mark
